- Pedigree chart showing these ancestors you want us to trace with the information you already know filled in. You can send a computer-generated pedigree with supporting family charts on a disc or thumb-drive if you prefer.
- Copies of Bible pages, letters, obituaries, certificates, and other family records for these ancestors. Include any family traditions you have on them.
- List the sources you have already checked: Family Members, Certificates, Cemetery, Probate, Military, Church, Birth, Marriages, Immigration, Indexes. **If you supply this information time will not be wasted and unnecessary research duplication will not occur--giving you the most for your money.**
- Daytime and evening phone numbers where you can be reached with best days and times to reach you in case there are questions. Please include your e-mail.
- The mailing address where you want the report and all correspondence sent. Reports are usually too large for e-mail delivery.
